F. No. 51/14/2023-NCET-NTA   **Dated: 10 July 2023**

Subject: Building Awareness for National Common Entrance Test (NCET) 2023 Examination among aspiring candidates – Reg.

 Sir / Ma'am,

This is with reference to the status of the online Application received from NCET 2023. Some of the very urgent and emergent issues arising out of this may kindly be noted and addressed.

1. As you are aware, the National Testing Agency (NTA) has started online registration of candidates for NCET 2023 from **26 June 2023** onwards. The last date for receiving online Application Forms is **19 July 2023.** As of now, only **3785** applications have been submitted which is a very small number.

2. In order to ensure more participation from the candidates throughout India and to facilitate them, NTA has opened a total of **34 NCET 2023 Examination Help Centres** so that awareness is generated among aspiring applicants. This will help provide equal opportunities to the candidates, especially those from rural and remote areas. The key objective of this is to ensure that candidates who want to appear for NCET 2023 should be able to apply for the same without any difficulty and get the necessary guidance if required. This Helpline service is being provided **free of cos**t. A Public Notice dated: 26 June 2023 in this regard has also been issued on the NCET portal https://ncet.samarth.ac.in/ A copy of the same is enclosed for reference.

3. Now, there is also a need to create awareness amongst the student community at the grass root level, across the country about the introduction of NCET 2023 and the need for the students to act now, i.e. apply to NCET 2023 in time so that they do not miss the opportunity.

4. In this regard, you are requested to create awareness about NCET 2023. A **draft Press Release** (Annexure 1) is being enclosed in this regard, which may be translated into local languages as well.
