THE DEPARTMENT OF EDUCATION

Central Institute of Education (CIE), also known as the Faculty and the Department of Education of the University of Delhi, was first major institution of professional learning and research in Education established after independence. The first Prime Minister of India, Pandit Jawaharlal Nehru and first Education Minister, Maulana Abul Kalam Azad took considerable interest in CIE's establishment in 1947 and its activities and progress in those early years. Maulana Azad visualised the function of CIE not merely to "turn out teachers who will be 'model teachers', but to evolve into "a research centre for solving new educational problems of the country". The Maulana prophesied that CIE would grow into "a beacon light for training institutions of the country". Over these past decades, CIE has indeed grown into a pace-setting institution in Teacher Education and Educational Research. This institute is also recognized as the Institute of Advanced Studies in Education (IASE) and having launched the Maulana Azad Centre for Elementary and Social Education (MACESE), CIE has shaped its unique philosophy, which finds reflection in its academic programmes.

Faculty of Education offers the following academic programmes:

- ***Bachelors in Education (B.Ed.)***

A full-time professional teacher education programme of the duration of two academic years, after graduate or post-graduate studies, leading to a Bachelor of Education (B.Ed.) Degree. This programme is offered at present at CIE (Department of Education, University of Delhi), as well as at two affiliated colleges of the University of Delhi.

- ***B.Ed. Special Education (VI) at Durgabai Deshmukh College.***

- ***B.Ed. Special Education (ID) at Lady Irwin College***

- ***B.El.Ed. programme in 8 colleges of Delhi University***

- ***Master of Education (M.Ed.) A full-time programme in Education of the duration of two academic years (Semester Mode) leading to a Master of Education (M.Ed.) Degree.***

- ***Doctor of Philosophy - Ph.D. (Education). A doctoral research programme.***
